PPO1241B

Field Content:

1. Identifier (1-8) "PPO1241B".
2. Filler (9-10) value spaces.
3. EDB transaction effective date (11-16). This date will be used on all EDB file maintenance transactions.
4. EDB 2% Begin Date Monthly (19-24); e.g., 10/01/98. This date will be used for Distribution Begin Date for Monthly (and Semi-monthly) paid appointments when the distribution only receives the 2% (range) increase.
5. EDB 2% Begin Date BW (27-32); e.g., 10/04/98. Distribution Begin Date for Biweekly paid appointments receiving only the 2% increase.
6. EDB 1.5% Merit Begin Date Monthly (35-40); e.g., 10/01/98 or 1/1/99. This date will be used for Distribution Begin Date for Monthly (and Semi-monthly) paid appointments when the distribution receives both the 2% (range) and the 1.5% merit increase.
7. EDB 1.5% Merit Begin Date BW (43-48); e.g., 10/04/98 or 12/27/98. Distribution Begin Date for Biweekly paid appointments receiving both the 2% and 1.5% increase.
8. Next Salary Review Date (67-72). This date will be used to set the "A2" EDB transaction Next Salary Review Date.
9. Pay Cycles to Process (73). Values are: blank (all), "M" (Monthly distributions only), "B" (biweekly only), "S" (semi-monthly only).

All specification date fields will receive only a minimum date edit (failures will result in program termination). However, there is no date edit for consistency of purpose.
