Testing Overview

This test plan addresses the test runs and cases constructed to verify the correct installation of Release 1574. The test is made up of the following components:

1. History Database (HDB) Initial Load (LOADHDB)
2. History Data Elements Table (HDE) (LOADHDE)
3. History Data Process (RUN742)
4. History online Inquiry Testing (IBA2 Function)
**HISTORY DATABASE (HDB) INITIAL LOAD (LOADHDB)**

**Description**

This job loads the DB2 HDB database. The data is used to verify history Postal Code data in the PPPBAS table.

**Verification**

Ensure that the DB2 HDB has been successfully restored by verifying normal completion of the job and ensuring that all tables have been successfully loaded into the data base.
LOAD TABLE PPPHDE (LOADHDE)

**Description**

This job inserts a single record to the PPPHDE table data to define the existing data element 1119 for History Processing. The $$LOAD$$ card is modified such that the word “REPLACE” is changed to “RESUME”.

**Verification**

Ensure that the single record is successfully inserted into the PPPHDE Table by verifying normal completion of the job.
PROCESS ECF FILE INTO HISTORY (RUN742)

Description

This job processes the Employee Change File produced from the Batch File Maintenance Process.

Verification

Verify on the PPP7421 Report that the total number of data elements processed for EDB 1119 is ‘2’:

| 74-299   | TBL: PPPBAS  | COL: POSTAL_CODE | DET: 1119 | CNT=  2 |
HISTORY ONLINE INQUIRY (IBA2 Function)

Log on to the CICS region. At the Main Menu screen, enter function IBA2 and the Employee ID of 000050057.

Verify that the Postal-Code value is displayed on the IBA2 screen. In addition, verify the CICS Help for the “Foreign Postal Code” label and the associated data field. Next, enter Employee ID 000050066.

In addition, place the cursor on a blank area of screen that displays the screen help text and press PF-1. Verify that the screen help text has changed. The text “TRIP Duration/Pct” is added to the group labels as follows:

The following are group labels displayed on IBA2/UBA2:

Veteran Status Cds
TRIP Duration/Pct
