Introduction

SR 81712
Some departments at various campuses have negotiated nonqualified deferred compensation plans with employees. These are plans under which the employee has a legally binding right to compensation for services that is payable at a later date. The University must report these plans as required by the IRS. PPS must be modified in order to record dollar amounts on the employee’s EDB record to report these amounts on the employee’s W-2 form and on the W-2 file that is sent to SSA and the IRS.
Processing Overview

New EDB Dollar Balances

A new YTD balance for Nonqualified Plan 457 Distributions and Contributions will be added to the PPPPCM Table and the HDA array.

A new YTD balance for Nonqualified Plans to be put in Box 11 on the W-2 Form will be added to the PPPPCM Table and the HDA array.

Eleven new filler dollar amounts for future use will be added to the Data Element Table and the appropriate objects.

CICS On-Line
The new elements above will only be displayed on the Summary of Current EDB Balance screen, INBI (refer to Attachment 1).
