This release addresses the following Service Request(s):

**Service Request 82783**

As per Service Request 82783, the existing rates for the Employee Paid Disability (EPD) plan should be changed effective January 1, 2010. The new rates should be made available to campuses as part of the ‘arrears’ CTL updates to establish new values in the PPS Benefits Rates Table.

**Service Request 82811**

Service Request 82811 asks PPS to update the System Parameters Table to reflect the new rate for the Post Doctoral Scholars Workers’ Compensation. The new rate must be in place in time to affect the expense distribution process for January 2010 earnings.

In order to fulfill the above service requests, CTL update transactions are available on the Payroll FTP site.
Table Updates

System Parameters Table
SR82811 has provided the transaction to update Workers’ Compensation rate to $23.68 for the Post Doctoral Scholars (Title Codes 3253 and 3254) that is effective with January 2010 earnings.

Benefits Rates Table
SR82783 has provided the Benefits Rates Table update transactions for the Employee Paid Disability 2010 Rate changes. Locations will use these Arrears Benefits Plan transactions to update the Benefit Rates Table.

Installation Instructions

Execute PPP004 to update the following DB2 CTL table with release transactions.

1. System Parameters Table (01) – Use the transaction in CARDLIB(PRMPROD).
   Please review the transactions carefully. Table entries for Parameter numbers 1 -299 are reserved for Base. Table entries for Parameter numbers 300 – 369 are reserved for the campus.

2. Benefits Rates Table (14) – Use the transactions in CARDLIB (BRTPROD).

Timing of Installation

The timing of this release is date mandated.
Arrears transactions must be applied to the control tables as below:

1. After the last compute for December 2009 earnings
2. Before the first compute for January 2010 earnings and January (second) run of PPP570 (Benefits Premium Audit)

If you are following the 2009 Year-End Processing Sequence document, these updates are the "CTL Update - Apply Arrears Updates" step on that schedule.

As usual, campuses are encouraged to install this release in as timely a fashion as possible and in the normal numeric sequence.

As always, these updates should be applied to production data only as approved by your campus Payroll Manager.
