Assessment Rate Table Update: Federal Contracts and Grants Salary Cap

Objective:

The objective of the service request is to change the rate of basic pay for the executive (Federal) schedule used for the Federal Contracts and Grants Salary Cap from \$196,700 to \$199,700 for calendar year 2010. UPAY870 is attached.

Project Type:

This service request is to modify the basic pay used for editing salaries paid from Contracts and Grants in the Payroll/Personnel System and the Effort Reporting System.

Requested by:

Andrew Boulter, Research Policy, Analysis and Coordination

Analyst:

Shaun Ruiz, Payroll Coordination & Tax Services

Due Date:

Urgent: this update should be made available so that campuses can update their tables before the next monthly payroll computation cycle and Effort Reporting System update.
