This release addresses the following Service Request:

**Service Request 82797**

Service Request 82797 asks that SLCG data elements be added to the General Information section of PAN notices, and that modification of those data elements should trigger the creation of a PAN.

**Programs**

**PPNTGINF**

PPNTGINF generates the common text for all EDB Entry/Update PANs. It has been modified to add data elements SLCG Grade (EDB 0388) and SLCG Effective Date (EDB 0389).

**PPNTTRG**

PPNTTRG identifies all activity that has occurred which should trigger the generation of a PAN. It has been modified to add a new event (SLCG), which is triggered by changes to data elements SLCG Grade (EDB 0388) and SLCG Effective Date (EDB 0389).

**Copy Members**

**CPWSNGWB**
