Table Updates: None
Urgency: Not Urgent (see Timing of Installation below)

This release addresses the following Error Report:

**Error Report 2395**

Error report 2395 states that when the SQL statement was changed in R1931 from selecting all columns in the table to listing each specific column name individually, the elements were not fetched properly causing the legal coverage effective date to always be zero and some of the other plan effective and end dates to be incorrect. Additionally, three columns are selected from the GTN table, but only one column is referenced.

**Programs**

PPP711 produces the CPS Interface File from the employees' data on the EDB.
It has been changed to fetch columns from the DEP table into the applicable host variables.
The GTN_ROW cursor has been changed to retrieve only GTN-NUMBER, not GTN_GROUP and GTN_SET_IND since they are not referenced by the program.
Installation Instructions

COBOL Program Preparation

At UCOP, all COBOL programs pass through the DB2 pre-compiler, whether or not the program contains embedded SQL, to resolve INCLUDE references. Your site may have different requirements.

"DUAL" programs must be compiled twice and linked into batch and online libraries ("LOADLIB" and "OLOADLIB" respectively). "CICS" programs must be CICS pre-compiled and compiled once and linked into OLOADLIB. "BATCH" programs must be compiled once and linked into the batch LOADLIB only.

Install, compile, and link the following modified program:

<table>
<thead>
<tr>
<th>PROGRAM</th>
<th>DB2?</th>
<th>Compile Type</th>
<th>Package Bind?</th>
<th>Done?</th>
</tr>
</thead>
<tbody>
<tr>
<td>PPP711</td>
<td>Yes</td>
<td>Batch</td>
<td>No</td>
<td></td>
</tr>
</tbody>
</table>

Plan Binds

Bind the following plans:

<table>
<thead>
<tr>
<th>Bind Members</th>
<th>Installed?</th>
</tr>
</thead>
<tbody>
<tr>
<td>PPP711</td>
<td></td>
</tr>
</tbody>
</table>

Test Plan

A separate Test Plan document is provided for this release.

Timing of Installation

The timing of this release is **not urgent**.

As usual, campuses are encouraged to install this release in as timely a fashion as possible and in the normal numeric sequence.

If there are any questions, please send electronic mail to Mary.Meyer@ucop.edu, or call 510-987-9272.
