This release addresses the following Service Request(s):

Service Request 83371

It was brought to the attention of Payroll Coordination recently that the CalPERS Board of Administration approved new State employer rates on December 15, 2010 effective between January 1, 2011 and June 30, 2011. These rates apply to University employees who worked for a State agency covered under the CalPERS retirement plan and who continued to be covered under that plan as a UC employee.

Service Request 83371 asks PPS to update the System Parameters Table with the new CalPERS State employer rates.

In order to fulfill the above service request, CTL update transactions are available on the Payroll FTP site.
