This release addresses the following Service Requests:

Service Request 83338

At the September 16, 2010 meeting the University of California Board of Regents voted unanimously to increase the amount UC and its employees contribute to the pension plan.

In order to fulfill Service Request 83338, BRT transactions were created to increase the contribution rates to the UC pension plan.

Service Request 83372

On May 20, 2011, California Public Employees Retirement System (CalPERS) announced the PERS State Employer contribution rates for the fiscal year 2011-2012. These rates apply to University employees who worked for a State agency covered under the CalPERS retirement plan and who continued to be covered under that plan as a UC employee.

Service Request 83372 asks PPS to update the System Parameters Table with the new CalPERS State employer rates that are effective as of July 1, 2011.

Service Request 83384

The rate for the University's Other Postemployment Benefits (OPEB) has changed for Fiscal Year 2011/2012. The new OPEB rate is 3.51%.

Service Request 83384 necessitates update of the System Parameters Table with the new OPEB rate. The new rate must be available for campuses after the processing of June earnings to affect July 2011 earnings.

In order to fulfill the above service requests, CTL update transactions are available on the Payroll FTP site. Locations will use these transactions to update the System Parameters Table (control table 01) and Benefits Rates Table (control table 14).
