This release addresses the following Service Request:

**Service Request 83521**

UPTE units RX and TX are paying 2010 rates for Health Net HMO. SR83521 requests that they should be moved to 2012 rates for Health Net HMO with effective February 2012 earnings. SR83521 also requests that UPTE members should be moved to custom 4.23% UCRP rate effective with February 2012 earnings.

SR83520 requests the following from the Payroll Interface Process (PIP) team:

- Load the 2012 RX and TX Benefit Rates into the Sybase tables
- Execute the Rate Update Process to generate Benefits Rates transactions
- Send the generated transactions to Payroll Processing Systems (PPS) for further processing

Service Request 83521 requests the following from the IR&C PPS team for the above SR:

- Receive the 2012 RX and TX Benefit Rates transactions from PIP
- Update the Benefits Rates Table via the normal CTL Update process
- After the successful testing, make the transactions available to the locations

In addition to above, SR83521 requests to create Transactions to update custom UCRP rates provided via UPAY 676A/B.
In order to fulfill the above service request, CTL update transactions are available on the Payroll FTP site.

**Table Updates**

**Benefits Rates Table**

SR83521 has provided the Benefits Rates Table transactions to update Benefits Rates changes for the RX and TX bargaining units. Also, it provided transactions to update UCRP premiums.

Locations will use these transactions to update the Benefits Rates Table (control table 14).

**Installation Instructions**

Execute PPP004 to update the following DB2 CTL table with release transactions.

- Rates for Health Net HMO for UPTE Members:
  - BRTPRODA
- Custom UCRP rate for both UPTE units RX and TX:
  - BRTPRODB

**Timing of Installation**

The timing of this release is **Date Mandated**.

The supplied Benefits Rates Table update transactions must be applied to the control tables prior to the first compute for February 2012 earnings (i.e. BW pay cycle which computing on or about February 09, 2012).

As usual, campuses are encouraged to install this release in as timely a fashion as possible and in the normal numeric sequence. As always, these updates should be applied to production data only as approved by your campus Payroll Manager.
