This release addresses the following Service Requests:

**Service Request 83746**

Service Request 83746 addresses the requirement for modifications to support the new Supplemental Disability limit. The employee paid limit for Supplemental Disability has changed from $14,286/mo to $21,429/mo.

This request has updated the Benefit Rates Table for the 2013 employee paid disability limit to $21,429.

**Service Request 83811**

Service Request 83811 addresses the requirement for modifications to support the new Post-Doctoral Scholars Workers’ Compensation rate. Effective January 1, 2013, the new rate is $32.65.

The Post-Doctoral Scholars Workers’ Compensation rate has been modified on the PPS System Parameter Table to support this new rate.

These changes should be made available to campuses as part of the ‘arrears’ CTL updates in the 2012 Year-End Processing Sequence.
Table Updates

Benefits Rates Table
- SR83746 has provided the Benefits Rates Table update transactions for the 2013 Supplemental Disability limit.

System Parameter (PRM) Table
- SR83811 has modified System Parameter 192 which defines the 2013 Post-Doctoral Scholars Workers’ Compensation rate.

Installation Instructions

Execute PPP004 to update the following DB2 CTL table with release transactions.
- Benefit Rates Table (14) – Use the transactions in CARDLIB (BRTPRODB)
- System Parameter Table (01) – Use the transaction in CARDLIB (PRMPROD)

Timing of Installation

The timing of this release is date mandated. Arrears transactions must be applied to the control tables after the last compute for December earnings but before the first compute for January earnings and before the January (second) execution of program PPP570, EDB Maintenance.

On the 2012 Year-End Processing Sequence document, these updates are listed as "CTL Update - Apply Arrears Updates" step. As always, this update should be applied to production data only as approved by your campus Payroll Manager.
