This release addresses the following Service Request:

**Service Request 100215**

Service Request 100215 provides the following background information:

“With the passage of the 2013 Budget Act, the California State Legislature adopted new employer contribution rates for the 2013-14 fiscal year. **Note that these rates are higher** than the minimum required rates set by the CalPERS Board changing as of July 1, 2013 and updated in Release 2080. CalPERS announced the latest rates in a circular letter that was released July 26, 2013. These rates usually adjust on an annual basis. Some University employees previously worked for a state agency covered under the CalPERS retirement plan and they continue to be covered under the CalPERS plan as UC employees.”

Service Request 100215 asks to update the PPS System Parameter Table with the new rates:

- PERS Employer Contribution Rate 21.203%
- PERS FICA Employer Contribution Rate 21.203%

**Table Updates**

**System Parameters Table**

For SR100215, the PERS Employer Contribution Rate (parameter 130) and the PERS FICA Employer Contribution Rate (parameter 131) must be updated with the new rates.

**Installation Instructions**
