This release addresses the following Service Requests:

Service Request 100304

Service Request 100304 provides the following background information:

“July 1, 2013 Post Employment Benefits project implemented the capability of different Supplemental Disability rates for 1976 Tier and 2013 Tier members. Initially both sets of rates were kept the same. Beginning in 2014 the rates will be different.”

Service Request 100304 asks to modify the UCRP 2013 Tier Supplemental Disability Rates effective January 1, 2014.

Service Request 83971

Service Request 83971 requests modifications to support the new Post-Doctoral Scholars Workers’ Compensation rate and Post-Doctoral Short-term Disability rates. These are $24.20 and $9.80, respectively.

This will be effective January 1, 2014.

The Post-Doctoral Scholars Workers’ Compensation rate has been modified on the PPS System Parameter Table to support this new rate.

These changes should be made available to campuses as part of the ‘arrears’ CTL updates in the 2013 Year-End Processing Sequence.
