This release addresses the following Service Request:

**Service Request 100708**

Service Request 100708 provides the following background information:

“Subsequent to the 2011 March Regents meeting, $1.1 billion was transferred to UCRP to close the funding gap for FY2010-11 and approximately $935 million was transferred in July 2011. The $1.1 billion transfer was achieved by advancing funds from the Short-term Investment Pool (STIP) and creating a note receivable that will be paid back through campus assessments over a 30-year amortization period. The interest and principal repayment for this Note is to be reset each year and is currently set at 2.10 percent interest for FY2014-15. The $935 million transfer was achieved through external financing. The interest rate and principal repayment for the external financing is also to be reset each year and is 2.00 percent interest only for FY2014-15. Given these rates, the overall interest cost for the University as a percentage of estimated covered compensation is 0.50% for FY2014-15.”

Service Request 100708 asks to update the PPS System Parameter Table with the FY 2014-15 UCRP Supplemental Assessment Rate of 0.50%.
