This release addresses the following Service Request:

**Service Request 100641**

In November 2013, The University of California came to an agreement with the Union of American Physicians and Dentists (UAPD) allowing the UAPD to represent physicians, dentists and podiatrists at campus-based student health and counseling centers. The new unit will be associated with Collective Bargaining Unit Code ‘DX’ known as Student Health Doctors. This new value needs to be established in the Payroll/Personnel System (PPS) and Service Request 100641 requests that modifications be made to PPS to support this new unit.

The first phase was originally released on 11/14/2014. Phase II is to fully implement the DX union, commencing dues and fees deductions and populating the union dues file and the union roster.

**Table Updates**

**Benefits Rates Table (14)**  
The release includes transactions to set up the new rates for the GTNs for the DX dues and fees.

**Bargaining Unit Table (17)**  
The release includes transactions to link the new GTNs for the DX dues and fees to the DX bargaining unit.
Code Translation Table (38)
The release includes transactions to set up description of the new GTNs.

Gross-to-Net Table (02)
