RUN SPECIFICATION:

Report Sequence - The PPP5841 report is available in two sequences. One of the sequence codes below must be entered.

- I - Employee ID sequence.
- N - Employee Name sequence.

Bargaining Units - Select up to ten bargaining unit codes of two characters each, left to right (e.g. CXTXA3). There must be at least one coded.

GTN NUMBER SELECTION:

Pretax GTN Number - Enter the GTN Number for Pretax Transportation Deduction. At least one must be entered.

Posttax GTN Number - Enter the GTN Number for Posttax Transportation Deduction corresponding to the Pretax GTN Number.

Each GTN Number Selection must contain both the Pretax and its corresponding Posttax GTN Number.
As many GTN Number Selections as needed may be entered.

RETN: UNTIL ACTION TAKEN
